

Holy Spirit Knights of Columbus Council 11460 in Rochester, MN

The TOP TEN Reasons to Join the Holy Spirit KCs:

- 10) Jesus was a carpenter. Every now and again, he likes to see every man take a crack at his old job.
- 9) Cool hats, and all the Christmas tree ornaments you can hang.
- 8) Because the council chaplain really IS "The Man" around here.
- 7) It's a great way for a couch potato to participate in a 10K run.
- 6) It's the only place where the phrase "sweat equity" takes on a spiritual connotation.
- 5) Because the smell of pancakes and sausage cooking on a Sunday morning really can be a religious experience.
- 4) Where else can you sing off key at the top of your lungs and get thanked for it?
- 3) Tootsie rolls - they're not just for breakfast anymore....
- 2) Who else puts the "soup" in "Super Bowl"?

And the Number One reason to consider joining the Holy Spirit Knights of Columbus.....

- 1) Christ lives in your fellow man. Come work along side him for awhile and see.

Our local council was founded in 1994, and currently has about 170 members. For more information, contact:
